Treasury Department for the city of Astana

Group for registration of agreements

- verification of the agreement (supplementary agreement) concluded in the framework of state procurements, presented for registration
- a request for entering the recipient of money in the Directory of recipients of money
- Entering a request for registering a civil-legal transaction of a state institution
- forming a notification on registration of the agreement
- forming reports for receiving detailed information on taken obligations and outstanding obligations.
1. In order to make payments in TPK, SI presents a registry with attached bills to be paid and a notification when the bill to be paid is presented with the status “final”;
   A request for conversion of the foreign currency in case of making payments in a foreign currency;
   A request for withdrawal of funds of co-financing on government foreign loans or related grants in case of spending money of co-financing or related grants.
2. For making advance (preliminary) payment SI presents the registry of bills to be paid. For making an advance payment in the amount of 100% of the amount of the agreement, the bill to be paid is presented with the status “final” without any notification.
Procedure for making payments without conclusion of agreements and transfer of money in the national currency

Payments and transfer of money of state institutions are made within the limits of balances in cash reference accounts or accounts of state institutions.

1. For making payments by types expenses without concluding an agreement:
   - Bills to be paid and the registry of bills to be paid are submitted to TPK in two copies.
   - Signed and stamped copy of the register of bills to be paid is returned to SI.

   The second copy of the register of bills to be paid with attached bills for payment remain in TPK for further execution.

   After the payment is made, the second copy of the bill to be paid and formed report pursuant to form 5-15 “Daily statement of payments made of the state institution” are verified by the signature and the stamp of the responsible executor TPK with indication of the date of making the payment and are transferred together with documents of the recipient of money to SI.
